PARAVAN *PR 50*

High-End in perfection

The most convincing way to experience the freedom of mobility is in our premium electric wheelchair, the PR 50. It's the most innovative, stable and versatile wheelchair in the world, and the first one to be licensed EU-wide as a fully adequate driver seat and also crash-tested! Our engineers, technicians and therapists have further optimised this masterpiece of German engineering and evolutionised numerous technical features such as the lift function, the tilt function and the chassis in accordance to our customers' ideas and specifications.

YOUR BENEFITS

Highlight: Seat tilt module with stand-up aid:

Electric continuous seat tilt with stand-up aid, tilt angle up to 50° backwards and 20° forwards

Highlight: Electric footrest unit module:
