VOLKSWAGEN *T6.1 EXTENDED*

With the plus of interior space

More space, more interior, more flexibility: with the PARAVAN VW T6.1 Extended we are breaking new ground. By lowering the vehicle floor from the A- to the C-pillar, we create a flexible mobility solution for drivers and passengers in wheelchairs and make the PARAVAN VW T6.1 Extended attractive even for tall people in power wheelchairs. The optimised entry height of 136 cm and the max. interior height of 148 cm set new standards and with a max. ground clearance of 18 cm, up to the PARAVAN cassette lift underneath, even steep underground garage entrances are no longer a problem for the „space miracle“. Of course, we adapt the PARAVAN VW T6.1 Extended up close to your needs and physical limitations - right up to equipping it with our Space Drive digital driving and steering system.

Dimensions based on T6 Transporter Kombi / Caravelle with short wheelbase

*with PARAVAN cassette lift

Height limit:	1360 mm	Interior height:	max. 1480 mm	Interior width:	max. 1390 mm
Ramp width:	788 mm	Eye level:	1320 mm	Ramp length:	1182 mm

NOTE: After conversion, the original manufacturer's dimensions and consumption data may change. Dimensions may vary slightly from vehicle conversion to vehicle conversion due to production.

YOUR BENEFITS

- Barrier-free and lowered interior from A- to C-pillar for max. entry and interior height
- Variable ground clearance due to PARAVAN height adjustment up to max. 180 mm including cassette lift (depending on vehicle equipment)
- Comfortable entry thanks to the powerful PARAVAN cassette lift
- Easy opening of the side doors and ramp extension through remote control (optional)
- Simultaneous transport of up to three wheelchair users; interior anchoring for the driver, passenger, and also in the rear seating area
- Individual driving and steering options for the primary and secondary functions (optional)
- Fast, easy and secure installation and removal of the driver and front passenger seats thanks to PARAVAN's unique seating system (optional)
- Rust free stainless steel exhaust system
- Aluminium fuel tank
- Space Drive® II system (optional)
- PARAVAN docking station available for the driver and passenger side (optional)
- PARAVAN Voice Control, Touch-System + Touch App (optional)
- PARAVAN transfer seat base is available for the driver and passenger side (optional)
