PEUGEOT TRAVELLER

Invitingly different – simple as that...

Lowered, accessible vehicle floor from the A- to the C-pillar provides more headroom. The PARAVAN cassette lift is as strong as an ox, ensuring safe and comfortable entry. Can be used flexibly as a solution for the driver or a front- or back-seat passenger. Optional features include the latest digital driving aids from Space Drive right through to voice control. The new PARAVAN Peugeot Traveller simply offers everything that you could want from a wheelchair-accessible vehicle.
