## **All-Round Talent**

The wheelchair accessible PARAVAN conversion for the VW Caddy Maxi. The innovative mobility solution for drivers and passengers in a wheelchair. Perfectly adapted to your personal needs. Driving fun, flexibility and comfort - features that are given top priority in the development of our PARAVAN VW Caddy for the disabled.

We build a „tailor-made suit on wheels“ for you with a lowered vehicle floor from front to back, an optional air suspension system for the optimum entry angle, barrier-free access and plenty of space for several wheelchairs.
