PARAVAN *PR40*

Versatility reinvented

Sometimes the time is ripe to completely rethink things and explore new paths. We have done just this with the development of our new variable and flexible PR 40 power wheelchair – a perfect symbiosis of our previous PR series models. The PR 40 combines the technical perfection of the PR 50 with the multifunctionality of the PR Biolution at unbeatable value for money. As standard, the PR 40 comes with an electric tilt, standing, and lying position and a redesigned adaptive seat shell system for the perfect level of versatility.

YOUR BENEFITS

Highlight: value for money

Modern variable electric standing wheelchair with extensive standard fittings at a fair price

Highlight: delivered within 14 days at the latest

With the PR 40, we are offering a first-class electric wheelchair with guaranteed delivery within 14 days of placing the order (without special assembly)
